

Part II by Benjamin A. Amendolagine

Warning! This is also fake!

When the bat flew back onto the tent, he called Leo the Lion. And Leo jumped out in the middle of the night and started jumping around the three kids. The mom said, “this is a nightmare!”. The Dad said “I hope we get to see more constellations”. And then the bat started riding Leo the Lion. And everyone jumped on his back and started saying Yea Ha! And then the Bear got out of the constellation and watched over Leo the Lion, because Leo is younger then the Bear. The End.
