

**THE ROYAL ASTRONOMICAL SOCIETY OF CANADA
LA SOCIÉTÉ ROYALE D'ASTRONOMIE DU CANADA**

Chant Medal Nomination

Date

Name

Centre (or Unattached)

This medal is awarded, not more than once a year, to an amateur astronomer resident in Canada on the basis of the value of the work carried out in astronomy and closely allied fields of the original investigation and specifically not for the services of the Society, worthy though these may be.

Citation (300 to 500 words, identifying in detail qualifying activity)

Submitter (Two required)
