Dear Sir,

I have the honour to acknowledge your letter of May 4, & send you herewith the report of the Observatory for 1890.

I am very interested to hear that you have started an Astronomical Society at Toronto & sincerely trust it may be a success. — Your Society has been entered on the Circular List of this Observatory, so that you will receive directly the circulars announcing any discoveries made here.

Believe me

Yours sincerely

T. E. Espin
